Turning Disabilities into Possibilities since 1964

On October 25th, 24 LTC clients and 9 staff began working at Joint Forces Training Base in Los Alamitos. The crew is responsible for greeting, hosting, cashiering, dishwashing, janitorial and maintenance of the 15,900 sq. ft. dining facility. Guests of the dining hall include the California National Guard Soldiers and the Sunburst Youth Academy.

This is a wonderful employment opportunity and we are proud to be serving 200 visitors daily including military staff and academy youth.
