THE NEED:

Lincoln Training Center (LTC) is celebrating its 45th anniversary as an organization in 2009. Founded in 1964 by parents of adult children with disabilities, Lincoln Training Center, a 501(c)(3) not-for profit organization, specializes in providing employers with pre-screened and qualified job applicants. LTC's clients become skilled, trained and motivated employees. Lincoln Production Services, LTC's on-site facility, offers businesses high-quality subcontract work while providing valuable training, with pay, to Lincoln workers. Services include collating, packaging, shrink-wrapping, heat sealing, folding, labeling, assembly and manufacturing.

LTC annually serves more than 500 people with disabilities at more than 50 sites. Our goal is *employment* – to place our clients into a job in the community or at our Lincoln Production Services facility. We are proud to announce that over the last 45 years, LTC has provided the dignity that comes with employment for thousands of adults with disabilities.
